EXPERIENCE

SDET - Ironclad Insurance
Oct 2024 - Present
- Built a Test Automation framework with Selenium and Java covering 1,200 regression cases
- Reduced flaky tests by 80% through better waits and test data isolation

SDET - Lumen Logistics
Nov 2022 - Sep 2024
- Automated API checks with Postman, catching contract breaks before release
- Integrated test suites into CI so every pull request ran smoke tests in 8 minutes

Personal Projects

- Visual regression testing tool
